

# Alanis Morissette, Still

I am the harm which you inflict.  
I am your brilliance and frustration.  
I'm the nuclear bombs if they're to hit.  
I am your immaturity and your indignance.  
I am your misfits and your praised.  
I am your doubt and your conviction.  
I am your charity and your rape.  
I am your grasping and expectation.

I see you averting your glances.  
I see you cheering on the war.  
I see you ignoring your children,  
And I love you still.  
And I love you still.

I am your joy and your regret.  
I am your fury and your elation.  
I am your yearning and your sweat.  
I am your faithless and your religion.

I see you altering history.  
I see you abusing the land.  
I see you, your selective amnesia,  
And I love you still.  
And I love you still.

Haaaaaaaahh  
I see you averting your glimpses.  
I see you cheering on the war.  
I see you ignoring your children,  
And I love you still.  
And I love you still.  
I see you altering history.  
I see you abusing the land.  
I see you, your selective amnesia,  
I love you still.  
And I love you still.

I am your tragedy and your fortune.  
I am your crisis and delight.  
I am your profits and your prophets.  
I am your art, I am your vice.  
I am your death and your decisions.  
I am your passion and your plight.  
I am your sickness and convalescence.  
I am your weapons and your light.

I see you holding your grudges.  
I see you gunning them down.  
I see you silencing your sisters,  
And I love you still.  
And I love you still.  
I see you lie to your country.  
I see you forcing them out.  
I see you blaming each other,  
And I love you still.  
And I love you still.

Haaaaaaaahh  
I see you holding your grudges.  
I see you gunning them down.  
I see you silencing your sisters,  
I love you still.  
I love you still.

I see you lie to your country.  
I see you forcing them out.  
I see you blaming each other.  
I love you still.  
I love you still.  
I see you.
