Still (unofficial Lyrics)

I am the harm that you inflict  
I am your brilliance and frustration  
I'm the nuclear bombs if they're to hit  
I am your immaturity and your indignance  
I am your misfits and your praises  
I am your doubt and your conviction  
I am your charity and your rape  
I am your grasping and expectation  
I see you averting your glances  
I see you cheering on the war  
I see you ignoring your children

And i love you still

And i love you still

I am your joy and your regret  
I am your fury and your elation  
I am your yearning and your sweat  
I am your faithless and your religion  
I see you altering history  
I see you abusing the land  
I see you and your selective amnesia

And i love you still

And i love you still

I am your tragedy and your fortune  
I am your crisis and delight  
I am your profits and your prophets  
I am your art i am your bytes  
I am your death and your decisions  
I am your passion and your plights  
I am your sickness and convalescence  
I am your weapons and your light  
I see you holding your grudges  
I see you gunning them down  
I see you silencing your sisters

And i love you still

And i love you still

I see you lie to your country  
I see you forcing them out  
I see you blaming each other

And i love you still

And i love you still
