Blaze Of Glory

It's funny how they shoot you down when your hands are held up high and you open up your heart and soul but that's not enough for most. I remember this much there is nothing you shouldn't speak of if you've got something to say and there is no one to be scared of just get them out of the way. GOING OUT IN A BLAZE OF GLORY my heart is open wide you can take anything you want from me there is nothing left to hide GOING OUT IN A BLAZE OF GLORY my hands are held up high. I'm learning how to hit back. I'm learning how to fight. The law of the jungle says that you look after yourself but I remember this much I love as I'd be loved myself. Don't forget what I told you now when the question keeps on coming and it's "How much more can you take" when they've ripped your clothes to pieces "Shouldn't you be gone by now." But you keep on GOING OUT IN A BLAZE OF GLORY setting your sights for the sky. They can offer you anything at all but your dreams must not be sold. GOING OUT IN A BLAZE OF GLORY no price is high enough. I'm fighting back with feeling I'm fighting back with love. When the nails are biting into your hands and the cross is heavy on your heart now is the time to really make a stand. MY HANDS ARE HELD UP HIGH
