

Alarm, The, We Are The Light.

Alarm, The
Declaration
We Are The Light.
People
Light up your light tonight
I wanna see you shine

Fight despair
Dont let it get you down
Dont let it tie you down

Theres a man with a wife and three children
Whos been told he cant work
Theres a boy whos been told theres no future
Hes been led by the blind.

And i can hear them crying
As they try to sleep through the night
I can hear them cry
I can hear them cry

We are the light
We are the light
We are the light of our lives

Hold on
To what you believe is right
Dont let anyone turn your eyes
Look ahead
Dont stop to look behind
The past aint no friend of mine
Theres a failure who is standing on the corner
For he cannot see hope
Theres a blind man who is standing at the crossroads
For he cannot see light

And as we fire the candles
We must make sure they burn through the night
For if they should die
Thered be no light

We are the light
We are the light
We are the light of our lives
We are the light
We are the light of our lives
Shine your light
Shine your light
Shine your light
Shine
Shine your light
Shine your light
Shine your light
Shine

We are the light
Shine on, shine on shine
We are the light
