

Alarm, We Are The Light

Alarm
Declaration
We Are The Light
People
Light up you light tonight I want to see you shine
Fight despair
Don't let it get you down don't let it tie you down
There's a man with a wife and three children
He's been told he can't work
There's a boy who's been told there is no future
He's been fed by the blind
And I can hear them crying as they try to sleep through the night
I can hear them cry I can hear them cry
WE ARE THE LIGHT
WE ARE THE LIGHT OF OUR LIVES
Hold on
To what you believe is right don't let anyone turn your eyes
Look ahead
Don't stop to look behind the past ain't no friend of mine
There's a failure who's standing on the corner
For he cannot see hope
There's a blind man who's standing at the crossroads
For he cannot see light
And if we fire the candles we must make sure they burn through the night
For if they should die there'd be no light
WE ARE THE LIGHT
WE ARE THE LIGHT OF OUR LIVES
