

# Alarm, We Are The Light

Alarm

Declaration

We Are The Light

People

Light up you light tonight I want to see you shine

Fight despair

Don't let it get you down don't let it tie you down

There's a man with a wife and three children

He's been told he can't work

There's a boy who's been told there is no future

He's been fed by the blind

And I can hear them crying as they try to sleep through the night

I can hear them cry I can hear them cry

WE ARE THE LIGHT

WE ARE THE LIGHT OF OUR LIVES

Hold on

To what you believe is right don't let anyone turn your eyes

Look ahead

Don't stop to look behind the past ain't no friend of mine

There's a failure who's standing on the corner

For he cannot see hope

There's a blind man who's standing at the crossroads

For he cannot see light

And if we fire the candles we must make sure they burn through the night

For if they should die there'd be no light

WE ARE THE LIGHT

WE ARE THE LIGHT OF OUR LIVES
