

Alastis, Last Wishes

Around my death-bed, no tears no sobs
I'm entering in His kingdom
I'm Him and He is me

Cry, sing, dance
Follow the path of your destiny
Banish impures and infateful
I'm disappearing in the joy!

You, vile Christians
You, rotten priest
Burn in your believes
Hang your lie on the cross
And die!

United, we're Master
Rejected, we follow our path
No tears, no sobs, I'm disappearing in the joy...
Cry, sing, dance, now I'm Him, now I'm free!
