

# Albert Collins, Bending Like A Willow Tree

If you don't bend you'll have to break  
It's good advise but a little too late  
Nothin' but trouble everywhere I go, yeah  
What I've been through you never know  
Got me down on my bendin' knee  
Weepin' and bendin' like a willow tree

I'm not lyin' it's not a fake  
You can tell by the look on my face  
Just so much a man can take  
Sooner or later he's gotta break

Yes, I'm down on my bendin' knee  
Weeping an' bendin' like a willow tree

Like a bitter pill that ya have to take  
I'm beggin' you baby, you say it's too late  
For goodness sakes please give me a break  
Just a little more that I can take  
Got me down on my bendin' knee  
Weepin' and bendin' like a willow tree
