

Albert Collins, Got A Good Thing Goin'

When you told me was all over, babe
You thought all I ever was, was through
Oooh-oh!

When you told me it was all over, babe
Thought all I ever was through, oh yeah
I had three more irons in the fire
Sorry, but I forgot to tell you

One more thing I'd like to tell you right now
Uh-huh

You thought I'd be hurt when you left me, babe
But I found another thing, ooooowoo!
Yeah, you thought I'd be hurt when you left me, babe
But I found another thing
Yeah, somebody else!
But sometime what you lose,
Is nothin' compared to what you win

Ooow
I'm gonna feel alright, yeah
I feel alright
Ooow-ooo

A good man may fall, babe oh yeah
But ya get back on your feet
Yeeeah, I know, I know, I know
You know, you know
A good man may fall, babe
You know ya get back on your feet
Yes, I've got a good thing goin' now woman
Got a good thing goin' now
Oh, the future look good to me
Future looks so good to meeeee
Alright
