Albert Collins, Robert Cray And Johnny Copeland

(Copeland vocals)
Let your hair down, baby
Let's have a natural ball
Let your hair down, baby
Let's have a natural ball
If you don't let your hair down, woman
We can't have no fun at all

(Copeland solo)

(Collins vocals)
Oh you can't take it with you
That's one thing for sure
Oh you can't take it with you
That's one thing for sure
There ain't nothin' in the world
That the T-Bone Shuffle won't cure

(Collins solo)

(Cray vocals)
Run here, baby
Sit down on your daddy's knee
Run here, baby
Sit down on your daddy's knee
I've got something, pretty baby
Something's that's ailing me
