

# Albert Hammond, Jr., Borrowed Time

Everyday our last  
With you on the walls  
More and more I say  
But this two foots more

I don't know what...  
What you want from me  
Well, if I find it I will set you free

Ooooh  
Aah aah aah aah

You know that I've been watching all  
Ah, you have been talking too  
What can I say to all that you...  
That you already do

Ooooooh  
Aah aah aah aah
