

# Albert King, Everybody Wants To Go To Heaven

Ev'rybody wants to laugh  
Ah, but nobody wants to cry  
I say ev'rybody wants to laugh  
But nobody wants to cry

Ev'rybody wants to go to heaven  
But nobody wants to die

Ev'rybody wanna hear the truth  
But yet, ev'rybody wants to tell a lie  
I say ev'rybody wants to hear the truth  
But still they all wanna tell a lie

Oh ev'rybody wants to go to heaven  
But nobody wants to die

Ev'rybody wanna know the reason  
Without even askin' why  
Oh, ev'rybody wanna know the reason  
Oh, without even askin' why

You know ev'rybody wanna go to heaven  
But nobody wants to die
