

# Albert King, I'll Play The Blues For You, Pts. 1-2

If you're down an' out, an' you feel real hurt  
Come on over, to the place where I work  
An' all your loneliness, I'll try to soothe  
I'll play the blues for you

Don't be afraid, come on in  
You might run across, yeah, some of your old friends  
All your loneliness, I've got to soothe

I'll play the blues for you

Come on in, sit right here  
Let's rap awhile  
Ya see I'm kinda lonely too, yeah  
An' loneliness is a very bad thing  
If ya let it get the best of ya

An' loneliness can get ya down, you know  
Yeah, yeah, are you comfortable now?  
Yeah, yeah, that's outta sight

Yeah, as I was sayin' before  
Loneliness can get you down, an' I have heard of, ah  
Loneliness blowin' some good people's mind, ya know?  
But ya can't do that

This is a big world, this is a big world  
An' there's too many nice things happenin' in this world

You're a very pretty girl  
Where you live?  
No, no, no, disregard that, that's okay, that's okay  
Most important thing  
I wanna know YOU  
I say, I wanna know YOU

Uh-huh, ooo-wee, that's groovy, ain't it?

I'll play the blues for you

I ain't got no big name  
Oh Lord, an' I ain't no big star  
I'll play the blues for you, on my guitar  
All your loneliness, I'll try to soothe

I'll play the blues for you, um!

'Cuse me

Um! woo! um! Woo! Uh-huh, yeah!  
Uh-huh! um! Oh!
