

Albert King, I Wanna Get Funky

Yeah,
I wanna get down

I wanna get funky
I wanna get down, yeah

I wanna get funky, yeah
You know, I wanna get down

Now listen to this:

When I leave work
My trouble is gone
I rush to my baby
Who's waiting at home

I wanna get funky, yeah yeah
I wanna get down
You know, I wanna get funky
I wanna get down

When I plays my music
From town to town
I can hear the people talkin'
Sayin' they wanna get down

I wanna get funky, yeah
You know, I wanna get down

I'm gonna get on down now

I wanna get funky
I wanna get down yeah

I want to get funky, yeah
Well, you know, I wanna get down

When I leave work
My trouble is gone
I run to my baby
Who's waiting at home

I wanna get funky
I said, you know, I wanna get down

Listen:

I wanna get funky, yeah baby, oh baby
I wanna get down
Oh
