

# Albert React, The Same Things From Different Lips

Cut some flesh away did you wanna stay?

2x

Its evening, Pass out  
Earn your trust then turn around  
and it holds you down

Put this match DOWN  
Blow the flame OUT

Your Freezing, Pass out  
Earn your trust then turn around  
and it holds you down

Cut some flesh away did you wanna stay?

2x

Put this match DOWN  
Blow the flame OUT

Its evening, Pass out  
Earn your trust then turn around  
and I holds you down

I Breathe in, Pass Out  
Now your trust is losing ground  
and it holds you down.

Cut some flesh away did you wanna stay?

TURN AROUND

3x
