

Alborosie, Jamaica

Jamaica..

ouhhh jamaica i hope u're find
i must consert u're always on my mind
i can't pretend to be right next to you
and the all the think that we just to do
i should say i be beg to you
i should say i miss you so much
but im lost in the silence of my fear's
im gonna try my tears
jah jah tell me im gonna dry my tears
And how Jamaica do you feel?
sometime life its hard for meal[?]
My castle in the sun fell down
its why i move beg to my own town
I should say i be beg to you
I should say i miss you so much
but im lost in the silence of my fear's
im gonna try my tears
jah jah tell me im gonna dry my tears (x3)
Jamaica... (x4)
