

# Alborosie, Promise

(Intro)

empress I need you so  
I just want you to know  
empress I need you so  
yeah yeahhh

(chorus)

promise me you'll never go away  
just promise me promise me yeah  
promise me you' ll never leave me astray  
oh please empress dont do me that  
promise me you'll never go away  
no way no no no way  
promise me you' ll never leave me astray  
empress I love you so

(verse 1)

mi cyaan find no words fi describe your beauty  
you bright like the first day of spring all cutie  
mi smell like the parfume pon you neck suit me  
you mark come add mi haffi send you got me  
no woman outta road dem sick and tricky  
dem sell quickly quickly dem licky dem freaky  
but pride mek you wise my african sweetie  
to please you and I that's my beauty

(chorus)

promise me you'll never go away  
just promise me promise me yeah  
promise me you' ll never leave me astray  
oh please empress dont do me that  
promise me you'll never go away  
no way no no no way  
promise me you' ll never leave me astray  
empress I love you so

(verse 2)

mi just come to I and I bless up my soul  
embrace me with joy and light up my world  
if there is no truth well I'm a big liar  
if this a mi last wish you're my desire  
empress I love you so  
I just want you to know  
empress I need you so  
I just want you to know

(chorus)

promise me you'll never go away  
just promise me promise me yeah  
promise me you' ll never leave me astray  
oh please empress dont do me that  
promise me you'll never go away  
no way no no no way  
promise me you' ll never leave me astray  
empress I love you so

(verse 3)

empress I love you so  
africa unite say so  
empress I love you so  
alborosie say so

your initials on my arms they will keep dem fi life  
from the seed to the flower from girlfriend to wife  
double seed pon mi mind like a dream and obsession  
mi love you my woman that's my confession  
there is no perfection in this life of tears  
just one direction in this valley of fears  
you're my attraction so just take me away  
mi give thanks and praise for your love hey  
(chorus)

promise me you'll never go away  
just promise me promise me yeah  
promise me you' ll never leave me astray  
oh please empress dont do me that  
promise me you'll never go away  
no way no no no way  
promise me you' ll never leave me astray  
empress I love you so
