

Alcazar, Dance with a Dj

DJ
Ooh aah
Again and again
Ooh aah
Again and again
Oh my God
Dance with the DJ
The Club Sexual on Rue de France
A one night song a one night stand
On disco floors got hard core
And choose the DJ - not the man
The record he plays like sexual waves
I felt the music in his touch
The look in his eyes
The rhythm inside
I want this night to last forever
Feel the DJ making love to me
The deeper the groove the faster I breathe
My body vibrating from the frequency
Oh dance with the DJ
Intensity builds and I feel the rush
The way that I scream the sound of my love
He took me tonight on the dancefloor of the club
Yeah dance with the DJ
Ooh aah
Again and again
Ooh aah
Again and again
Oh my God
Dance with the DJ
I know the song I dont know his name
I feel the signature in his sound
The sweat reacts on my pretty face
I fantasize how I go down
So play for me well be discrete
Noone will know noone will see
Lost in the song well go all night long
I want this night to last forever
Feel the DJ making love to me
Dancer and DJ becoming one
Calling my body and Im ready to come
The way that I dance - you know the way I love
Oh dance with the DJ
The finger on the groove making me wet
The deeper you go the more I sweat
He took me tonight on the dancefloor of the club
Yeah dance with the DJ
I want this night to last forever
I want this night to last forever
Forever
Forever
Forever
Dance with the DJ
Feel the DJ making love to me
Ooh aah
