

Alcazar, Good Lovin

Since the dawn of time
Don't say fun is a crime
Fun is a crime, fun is a crime
Fun is a crime

While I wait for the night to come
There's no escape for the lonely ones
They've been around since the dawn of time
Don't ever tell us the fun is a crime

Since the dawn of time
Don't say fun is a crime

Good Lovin
Now what am I supposed to do?
Good Lovin
Now tell me what it means to you

I don't wanna pack
I don't wanna pack
I don't wanna pack
So what am I supposed to do?

While we wait for the night to come
There's no escape for the lonely ones
You can't break us, we're always shining
We're left standing your boring lives

We will always shine
We will stand in the line

Since the dawn of time
Don't say fun is a crime

Good Lovin
Now what am I supposed to do?
Good Lovin
Now tell me what it means to you

I don't wanna pack
I don't wanna pack
I don't wanna pack
So what am I supposed to do?

We won't be waiting for the night to come
We're only running cause we're chasing the sun
So tell me what am I supposed to do
There's no escaping getting closer to you

We won't be waiting for the night to come
So tell me what am I supposed to do
Standing, standing in line

Good Lovin
Now what am I supposed to do?
Good Lovin
Now tell me what it means to you

I don't wanna pack
I don't wanna pack
I don't wanna pack
So what am I supposed to do?
