

# Alcazar, Here I Am

Did I here you crying in your sleep  
Did you feel like you were all alone  
Well, it must have been a real bad dream  
You should know I never let you go

And as long as you got eyes to see  
You will always know just where I'll be

Here I am  
by your side  
just one kiss away  
Here I am  
day and night  
and this is where I'll stay  
through the rain  
or come what may  
Baby here I am

One kiss away

Don't you think that I can tell by now  
I know all the words you never say  
And I wish I could explain somehow  
You don't ever have to feel the pain  
You believe one day you find me gone  
but when everything is said and done

Here I am  
by your side  
just one kiss away  
Here I am  
day and night  
and this is where I'll stay  
through the rain  
or come what may

Here I am  
by your side  
just one kiss away  
Here I am  
day and night  
and this is where I'll stay  
through the rain  
or come what may  
Baby here I am
