

# Alchemist, Dancing To Life

LIFE.

In all its fragile beauty surrounds me.

LIFE.

It's energy and vigor consume me.

LIFE.

My zest for life and living remain.

LIFE.

The chi flows thick and forceful through my veins.

The wisdom of her anatomy.

Denies the first to enter to chance to create.

Survivors travel the unknown.

Knowledge of the location of their goal.

Each an individual.

Yet all together one.
