

# Alda, Real Good Time

Sometime, someplace  
Everybody has words (ah)  
Falling out, making up  
Uh-huh

(Chorus)

Maybe I laugh, maybe I cry  
Maybe I scream, maybe I sigh  
Baby, I feel the feeling is real  
Maybe I curse, maybe I squeal  
But I enjoy making some noise  
Fooling around, listening to sound  
When you and I get and everything's set  
We surely know how to have a real good time  
Yeah

1,2,3,4

You and I are not to blame  
Sometimes we just go insane  
You and I have much to give  
Everything is relative  
When we have our darker days  
We just go our separate ways  
You and I, not to blame  
Sometimes we just go insane, yeah

1,2,3,4,so...

(Repeat Chorus)

Sometimes baby, in your eyes  
Love is truly justified  
When I hear you telling lies  
I just wanna terrorise  
But making up is oh-so-good  
Yeah, we rock the neighbourhood  
You and I are not to blame  
Sometimes we go insane, yeah

1,2,3,4, so...

(Repeat Chorus)

A real good time  
A real good time  
A real good time, yeah

La la la la la la la la (x7)

(Repeat Chorus to fade)
