

ALDARIA, When the Time Has Come

Search for the land of creation
The dawn of salvation is here
Building a dream made of fairy tales
The visions are true in the end!

Heading for the end of time
with the key to change the tide
The power of the dream in your mind

When the time has come
will you lead us to Heaven?
You are the one
You're the guide in the night!

When the time has come
Will you show us the Heaven?
Lead us to light
you're the guide in the night!

Rise from the ashes of Glory
the dawn of redemption is here!
We have the power to change our lives
Together we stand in the end!

Heading for the end of time
with the key to change the tide
The power of the dream in your mind

When the time has come
will you lead us to Heaven?
You are the one
You're the guide in the night!

When the time has come
Will you show us the Heaven?
Lead us to light
you're the guide in the night!

Now you see the power of our kingdom come
Now you hear the song of an angel calling
You must go inside and hear the freedom call

Visions of a dream and a kingdom falling
now you hear the sirens sing a requiem
now you hear the cries of an angel falling down....

we are the chosen by Heaven
The dawn of salvation is here!
dreaming a dream of Aldaria
the power to kill our fear!

Heading for the end of time
with the key to change the tide
The power of the dream in your mind

When the time has come
will you lead us to Heaven?
You are the one
You're the guide in the night!

When the time has come
Will you show us the Heaven?
Lead us to light
you're the guide in the night!

And now the vision is complete
the power of the one
to change the tide

and you, the bringer of the dream
in the aftermath of sin
we are set free!

Heading for the end of time
with the key to change the tide
The power of the dream in your mind

When the time has come
will you lead us to Heaven?
You are the one
You're the guide in the night!

When the time has come
Will you show us the Heaven?
Lead us to light
you're the guide in the night!
