

Aleah, Water and wine

I am lost without You
But now Im lost with You too
How can I know what to do
When what You tell me isnt True
Learn to
Discern
Is what You say
When in my Fury
I turn away
Show me Your Sign
Water and Wine
I need You to be
More than a Voice in me
Show me Your Face
Or at least some Proof of Your Grace
I need You to be
More than a Light in me
At least today
Hold me closer in my Pain
But You have caused it
all the same
Why dont You Practice what You Preach?
What Good has come of
this, the way You Teach?
Learn to Discern
Is what You say
When in my Fury
I turn away
Show me Your Sign
Water and Wine
I need You to be
More than a Voice in me
Show me Your Face
Or at least some Proof of Your Grace
I need You to be
More than a Light in me
At least today
Leave me
Alone
Let me be without my hopes
Without my fears
No, dont leave me, let me
See the Truth
Taste my tears, my bitter tears
Caused by
You
Show me Your Sign
Water and Wine
I need You to be
More than a Voice in me
Show me Your Face
Or at least some Proof of Your Grace
I need You to be
More than a Light in me
At least today
