

Alec Benjamin & Alessia Cara, Let Me Down Slowly

this night is cold in the kingdom
I can feel you fade away
from the kitchen to the bathroom sink
and your srteps keep me awake

don't cut me down
throw me out
leave me here t waste
I once was a man with dignity and grace
now I am slipping through the cracks of your cold embrace
so please, please

could you find a way to let me down slowly?
a little sympathy, I hope you can show me

if you wanna go than ill be so lonely
if you
re leaving baby, let me down slowly

let me down, down
let me down, down
let me down, down
let me down, down

if you wanna go then I will be so lonely
if you're leaving baby, let me dawn slowly

cold skin
drag my feet on the tile
as I am walking down te corridor
and I know we heabven't talked in a while
so I am looking for an open door

don't cut me down
throw me out
leave me here t waste
I once was a man with dignity and grace
now I am slipping through the cracks of your cold embrace
so please, please

could you find a way to let me down slowly?
a little sympathy, I hope you can show me

if you wanna go than ill be so lonely
if you
re leaving baby, let me down slowly

let me down, down
let me down, down
let me down, down
let me down, down

if you wanna go then I will be so lonely
if you're leaving baby, let me dawn slowly

and I can't stop myself from falling down
and I can't stop myself from falling down
and I can't stop myself from falling down
and I can't stop myself from falling down
