

Alec Empire, Addicted To You

Verse:

Doesn't matter what I believe
Doesn't matter what I believe
You mess me up and I want you to hear
Got it right back and I want you to hear
When you walk, when you talk
you're so full of lies
excuse me
When I'm gonna die
I don't care what you're like
Doesn't feel like you

Chorus:

I'm addicted to you
I'm addicted to you
I'm addicted to you
Cos you get me through x 2

Verse:

The first injection wasn't free
Doesn't matter what I believe
Doesn't matter what I believe
There ain't no station
It ain't no fiction what I believe
It ain't no fiction what I believe
Staring at New York City
Missing those the ones I hate
Compensate
Alienation
The new centre of my renewed faith is too late

Chorus

I want you to hear
You mess me up and I want you to hear
Doesn't matter what I believe
Doesn't matter what I believe

I'm addicted to you x3
