

Aleesha Rome, Do You Feel Me

Say you love me
But what kind of love are we talking about
And that you want me
But will there come a day
When one of us, wants to kick us, out
How, do I make you feel, inside
Would you
Would you get down on one knee
Would you beg for me
Do you feel, feel me
Can you feel, feel me
Do you feel, feel me
Can you feel, feel me

I'm almost longing
Longing just to be
Where ever you wanna take me
Only belonging

Belonging to ourselves
And to you
If only you'd make me
Shine, like the sun, all for you
I would run
A million miles next to never
I wanna hold you forever
Do you feel, feel me
Can you feel, feel me
Do you feel, feel me
Can you feel, feel me

Do I tell you the words
You're wanting to hear
Tell me sweet darlin'
How do I, how do I, how do I
Do I make you feel
