

# Alejandro Escovedo, Swallows Of San Juan

Gonna crawl upon the shore  
Roll in the mud and the clay  
Like the swallows of San Juan  
I'm gonna get back, someday  
A thousand steps to the water  
A thousand steps you must take  
There's a thousand worlds on the a head of a pin  
A thousand rules to break  
Next time you see me  
I'm gonna smile for the camera  
Like some wild man from Pompei  
Take my word, go down to the sea  
It's breaking bigger than anything, any of us have ever seen  
I'm gonna crawl upon the shore  
Roll in the mud and the clay  
Like the swallows of San Juan  
I'm gonna get back, someday  
Had a blond TV special  
And an English house staff  
I lost some ??gold?? in a deal  
But some day, some day I'll get em' back  
Next time you see me  
I'm gonna smile for the camera  
Like some wild man from Pompei  
Take my word, go down to the sea  
It's breaking bigger than anything, anything I've ever seen  
I'm gonna crawl upon the shore  
Roll in the mud and the clay  
Like the swallows of San Juan  
I'm gonna get back, get back someday  
I'm gonna get back someday...  
get back someday...  
gonna get back someday...  
yeeahhh, someday...  
gonna get back someday...  
get back....
