

Alejandro Fuentes, Sail Away

Sail away with me honey
I put my heart in your hand
Sail away with me honey now, now, now
Sail away with me
What will be will be
I wanna hold you now, now, now
Crazy skies are wild above me now
Winter howling at my face
And everything I held so dear
Disappeared without a trace
Though all the times i tasted love
Never knew quiete what i had
Little darlin if you hear me now
Never needed you so bad
Spinning round inside my head
Sail away with me honey
I put my heart in your hand
Sail away with me honey now, now, now
Sail away with me
What will be will be
I wanna hold you now, now, now
I've been talking drunken gibberish
Falling in and out the bars
Trying to get some explanation here
For the way some people are
How did it ever come so far
Sail away with me honey
I put my heart in your hand
Sail away with me honey now, now, now
Sail away with me
What will be will be
I wanna hold you now, now, now
Sail away with me honey
I put my heart in your hand
Sail away with me honey now, now, now
Sail away with me
What will be will be
I wanna hold you now, now , now
