

# Alesana, Kill me, Kill me.

One, two, three  
A tragedy that's built on destiny  
It left you with everything but  
Blood from the knife that I  
cut your heart out with  
Now relax, close your  
eyes, what comes next is  
the surprise  
This valentine is doomed  
The smell of blood has  
filled this room  
If I could do it all again  
I would change most every single thing  
I would let you  
Kiss me  
Kill me  
Your kiss is torture  
But killing me would be too easy  
Our tragedy  
Seems to be killing everything it sees  
Like death itself  
This valentine still looms  
In the darkest hour, the killing moon  
If I could do it all again  
I would let you  
Kiss me  
Kill me  
Your kiss is torture  
But killing me would be too easy  
Kiss me (You're all I'm wanting)  
Kill me (This feeling's haunting)  
Your kiss is torture  
But killing me would be too easy  
Killing me would be too easy  
Your eyes unwind the  
tragedy of our lives  
My eyes went blind  
Believe when I say  
Hell burns bright  
When this night dies  
Hell burns bright  
Kiss me  
Kill me  
Your kiss is torture  
But killing me would be too easy  
Kiss me (You're all I'm wanting)  
Kill me (This feeling's haunting)  
Your kiss is torture  
But killing me would be too easy x2  
Killing me would be too easy  
Too easy, too easy, too easy, too easy
