

# Alesana, Seduction

Sunlight warms my face only in dreams of you  
I know you'll wait for me...it's been too long  
Beautiful eyes. beautiful lies to dull the pain  
Beautiful eyes, beautiful lies...you're killing me  
I would wait for years just to feel you again  
I will die without you...would you my love?  
Beautiful eyes, beautiful lies pour from your mouth as  
You scream his name...you're killing me  
Cries escape your sweet voice as I kiss you one last time  
...One last time...

Do you remember me and our beautiful affair?  
Look in my eyes and honestly tell me our love is gone!  
Why have you turned your back on me?  
One day you'll wake up and realize your mistake  
Ice runs through my veins as I stand face to face with  
The one who stole it all  
Compassion is not an option  
Cries escape your sweet voice as I kiss you one last time  
...One last time...

Do you remember me and our beautiful affair?  
Look in my eyes and honestly tell me our love is gone!  
Why have you turned your back on me?  
One day you'll wake up  
Realize your mistake!  
In love we're one, inseparable, pathetic lust, thus we crumble  
I saw your eyes, I wiped your tears, I waited for you...  
Who do you see with your eyes shut tight?  
Regret will be your bride  
Goodbye...

Do you remember me and our beautiful affair?  
Look in my eyes and honestly tell me our love is gone!  
Why have you turned your back on me?  
One day you'll wake and realize your mistake  
Cries escape your sweet voice as I paint my own goodbye
