

# Alesana, The Lover

Is it her? Could it be? Should my eyes believe what they see?  
If you are who I think you are I might lose my mind  
Just a kiss from her lips and I would simply float away  
The way her hips sway back and forth I've got butterflies  
Dead girls don't just appear out of thin air  
But I am victim to her sinister stare  
Please don't hate me for what I've done  
Run away with me, I'll be everything that you need  
Such a pretty girl screams to me  
"Take my hand, take my breath away..."  
What if my heart breaks again?  
("Take my breath away...")  
Just the scent of her skin unlocks forbidden memories  
The slightest graze of fragile hand I've got butterflies  
Dead girls don't just appear out of thin air  
But I am victim to her sinister stare  
Please don't hate me for what I've done  
Run away with me, I'll be everything that you need  
Such a pretty girl screams to me  
"Take my hand, take my breath away..."  
I'll be your anchor, I'll be your lover  
I'll be your anchor, I'll be your lover  
And if your heart is filled with doubt  
I'll bear my soul to you belle!  
Please don't hate me for what I've done  
Run away with me, I'll be everything that you need  
Such a pretty girl screams to me  
"Take my hand, take my breath away..."  
I can't lose you again  
I can't lose you again  
I can't lose you again  
I'm nothing without you!  
I'll never let you down  
I'll never let you down  
I'll never let you down, angel
