

# Alesana, What Goes Around

Hey girl, is he everything you wanted in a man?  
You know I gave you the world  
You had me in the palm of your hand  
So why your love went away?  
I just can't seem to understand  
Thought it was me and you, babe  
Me and you until the end  
But I guess I was wrong  
Don't wanna talk about it  
Don't wanna think about it  
I'm just so sick about it  
Can't believe it's ending this way  
Just so confused about it  
Feeling the blues about it  
I just can't do without ya  
Tell me, is this fair  
Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
That you were gonna make me cry  
It's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
That's okay baby, 'cause in time you will find  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
Now girl, I remember everything that you claimed  
You said that you were moving on now  
And maybe I should do the same  
Funny thing about that is  
I was ready to give you my name  
Thought it was me and you, babe  
And now, it's all just a shame  
And I guess I was wrong  
Don't wanna talk about it  
Don't wanna think about it  
I'm just so sick about it  
Can't believe it's ending this way  
Just so confused about it  
Feeling the blues about it  
I just can't do without ya  
Can you tell me, is this fair?  
Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
That you were going to make me cry  
Now it's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
That's okay baby, 'cause in time you will find  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
And now you want somebody  
To cure the lonely nights  
You wish you had somebody  
That could come and make it right  
But girl, I ain't somebody  
With a lot of sympathy, you'll see  
What goes around comes back around  
And now you want somebody  
To cure the lonely nights  
You wish you had somebody

That could come and make it right  
But girl, I ain't somebody  
With a lot of sympathy, you'll see  
What goes around comes back around  
What goes around comes back around  
What goes around comes back around  
What goes around comes back around  
You spend your nights alone  
And he never comes home  
And every time you call him  
All you get's a busy tone  
I heard you found out  
What he's doing to you  
What you did to me  
Ain't that the way it goes  
When you cheated, girl  
My heart bled, girl  
So it goes without saying  
That you left me feeling hurt  
Just a classic case  
A scenario  
Tale as old as time  
Girl, you got what you deserved  
I thought I told you, baby  
What goes around comes back around  
I thought I told you, baby  
What goes around comes back around  
I thought I told you, baby  
What goes around comes back around  
I thought I told you, baby
