Alesha Dixon, Can I Begin

As much as I've been tryna say As much as I appear OK Been holdin' on Pretending like nothing's wrong There's many things I wanna see But first of all, I gotta see me 'Cuz I can't breathe

*Now that we're over Life's getting colder Trying so hard to feel the sun

Can I begin to re-live my life? Release all the pain inside?

Over

Done now

I wanna love again

Everyday is a different vibe

Up & amp; down like a playground ride

Over

Done now

How can I begin? (oh oh oh)

How can I begin? (oh oh oh)

I'm not tryna win (oh oh oh)

How can'I begin (oh oh oh)

To love again?

Situated in my bed Pictures running through my head Some are good Some wish I never took, no, no Probability of me Feeling down & Donely I'm no longer scared

*repeat

Can I begin to re-live my life & pain inside?

Over

Done now

I wanna love again

Everyday is a different vibe

Up & amp; down like a playground ride

Over

Done now

How can I begin? (oh oh oh)

How can I begin? (oh oh oh)

I'm not tryna win (oh oh oh)

How can I begin

To love again?

Hold on

When all the hope is gone

I'm starting at the ending & amp; I'll just move on

Fall down

Still wearing my crown

Nothing's gonna hurt me 'cuz what comes around goes around

What comes around goes around, baby

Can I begin to re-live my life & amp; release all the pain inside?

Over

Done now

How can I begin? (oh oh oh)

How can I begin? (oh oh oh)

I'm not tryna win (oh oh oh)

How can I begin To love again?
