

Alesha Dixon, Ooh Baby I Like It Like That

Verse

So you did it, do it again
Who you kidding, ten out of ten
Yeah you did it, do it again,
In a minute, I'll tell you when
Little pictures in my mind, but I
Got to make it on my own, if i
Try to fake it, it's a crime, cus I
Have my conscious saying take me home

Chorus

But, ooh baby I like it like that,
Touch me, touch me
Before I turn back,
Ooh baby I like it that way,
Touch me, touch me
A little this way,
Ooh baby I like it like that,
Touch me, touch me
Before I turn back,
Ooh baby I like it that way,
Touch me, touch me
A little this way.

Verse

Got the feeling, wanted some more
So appealing baby im yours,
Got the feeling, wanted it all,
Keep on giving, I will for sure,
Little pictures in my mind, but I
Got to make it on my own, if i
Try to fake it, it's a crime, cus I
Have my conscious saying take me home

Chorus

But, ooh baby I like it like that,
Touch me, touch me
Before I turn back,
Ooh baby I like it that way,
Touch me, touch me
A little this way,
Ooh baby I like it like that,
Touch me, touch me
Before I turn back,
Ooh baby I like it that way,
Touch me, touch me
A little this way.

Verse

So you did it, do it again
Who you kidding, ten out of ten
Yeah you did it, do it again,
I'll admit it your more than a friend,

Chorus

But, ooh baby I like it like that,
Touch me, touch me
Before I turn back,
Ooh baby I like it that way,
Touch me, touch me
A little this way,
Ooh baby I like it like that,
Touch me, touch me
Before I turn back,

Ooh baby I like it that way,
Touch me, touch me
A little this way.
