

Alesha Dixon, The Way We Are

Every move we make
Call it a mistake
Looking at a wall like a prisoner in chains
Tell us that we're wrong
Tell us what we want
Trow us in an ocean that I know we don't belong

That's when the passion comes in
That's when we fight and we win
We are the miracle, magical, love is ..

Just the way we are
Just the way we are
Just the
Just the way we are
Just the way we are

Who we gonna be
No body can tell
That you tried that script on me
Give it some else
You Change all the rules
Rules I'm going to break
Pain and passion is inside of me
Will always be a ...

That's when the passion comes in
That's when we fight and we win
We are the miracle, magical, love is ..

Just the way we are
Just the way we are
Just the
Just the way we are
Just the way we are
