

Alessandra, Lead Me To Your Love

From the moment that I saw you, all i wanted was to touch you, to see if you were real. No one ever made me feel like this.

As I moved a little closer, felt your breath upon my shoulder, but when I turned around, you were gone. Iknew inside our souls were bound.

I wowed Id find you again

Lead me to your love and I will follow. I will search until the last tomorrow. I will wait for you, I will wait for you.

Lead me to your live out of my sorrow, send me up a sing that only. Il know. I will come for you, nothing I wont do.

Lead me to your love
lead me to your love)

I thought I was dreaming, the way you had me feeling.
I loved you at first sight. You looked at me and changed my life

Never worried bout the danger, I was feeling like a stranger in a familiar place. And if had you, would even dare to kiss your face.

My heart is in your hands.

Lead me tou your love, and I will follow. I will search until
The last tomorrow
I will wait for you
I will wait for you.

Lead me to your love, out of my sorrow, send me up a sing, that only Ill know.

will come for you
Nothing I wont do.

Lead me to your love.

I will come for you
Nothing I wont do

Lead me to your love

Sometimes your dreams will appear, standing right before you. I looked at you and knew, time brought me back to you.

Lead me to your love...
strange, in a
