

# Alessia Cara, Make It To Christmas

We were warm and wonderful  
Once upon a time  
But now we're frozen, hanging by a thread  
Can we wait a minute?  
Or can we just try to try?  
'Cause my favorite day is coming up ahead

Darling, I know that our love is going cold  
It's just something 'bout the snow this time of year  
That makes us lose our way, just say we'll make up  
And hold on a little longer  
Don't have me spending it alone  
This time of year is precious  
Please, can we make it to Christmas?  
Can we make it to Christmas?

(Christmas time) Can we just make it to Christmas?  
(Everything will be alright) Can we just make it to Christmas?  
(If we just hold on) Can we just make it to Christmas?  
(Hold on, ho-o-old on) Make it to Christmas

Don't know what I'll say to Dad when he sees the empty chair  
Don't want to hear my mom say, "Told you so"  
Waiting for Santa in my bed is no fun if you're not there  
And I don't want to be angry at mistletoes

Darling, I know that our love is going cold  
It's just something 'bout the snow this time of year  
That makes us lose our way, just say we'll make up  
And hold on a little longer  
Don't have me spending it alone  
This time of year is precious  
Please, can we make it to Christmas?  
Can we make it to Christmas?

(Christmas time) Can we just make it to Christmas?  
(Everything will be alright) Can we just make it to Christmas?  
(If we just hold on) Can we just make it to Christmas?  
(Hold on, ho-o-old on) Make it to Christmas  
(Christmas time) Can we just make it to Christmas?  
(Everything will be alright) Can we just make it to Christmas?  
(If we just hold on) Can we just make it to Christmas?  
(Hold on, ho-o-old on) Make it to Christmas

Darling, I know that our love is going cold

That makes us lose our way, just say we'll make up  
And hold on a little longer  
Don't have me spending it alone  
This time of year is precious  
Break my heart on Boxing Day  
Just, please, can we make it to Christmas?

(Christmas time) Can we just make it to Christmas?  
(Everything will be alright) Can we just make it to Christmas?  
(If we just hold on) Can we just make it to Christmas?  
(Hold on, ho-o-old on) Make it to Christmas (Yeah)  
(Christmas time) Can we just make it to Christmas?  
(Everything will be alright) Can we just make it to Christmas?  
(If we just hold on) Can we just make it to Christmas?  
(Hold on, ho-o-old on) Make it to Christmas
