

# Alesso, Stray Kids & CORSAK, Going Dumb

Yeah,  
Feels like love

(one more time  
Can't believe what i am saying  
Every time i see you  
Once again)

Start the car

(the neons signs welcome us  
There are our highlights)

I don;t know  
Know, know  
How you feeling

(deep inside your mind) \*
