Alestorm, Flower Of Scotland

O Flower of Scotland - When will we see Yer like again - That fought and died for Yer wee bit Hill and Glen - And stood against him Proud Edward's Army - And sent him homeward Tae think again

The Hills are bare now - Autumn leaves lie lie thick and still - O'er land that is lost now Which those so dearly held - That stood against him Proud Edward's Army - And sent him homeward Tae think again

Those days are past now - And in the past they must remain - But we can still rise now And be the nation again - That stood against him Proud Edward's Army - And sent him homeward Tae think again

O Flower of Scotland - When will we see Yer like again - That fought and died for Yer wee bit Hill and Glen - And stood against him Proud Edward's Army - And sent him homeward Tae think again
