

# Alestorm, Wenches & Mead

When I come back from a mighty quest  
I have no need for sleep or rest  
I head to a tavern for a drink  
And get so drunk I cannot think  
A wench by my side and a jug of mead  
These are the things that I most need  
So I sit back and sing this song  
And drink and party all night long

Hey! Hey!  
I want more wenches  
Hey! Hey!  
More wenches and mead  
Hey! Hey!  
I want more wenches  
Lots of wenches is what I need
