

Aletheia, You've Done Great Things

In you O Lord I put my trust, Let me not be ashamed. In you O Lord I give my all, Let me not be afraid. Deliver me in your righteousness and cause me to not escape from your grasp. Hear my cry and save me.

You are my rock, you are my shield. You calm the storm; make my heart still. You've rescued me, you've done great things.

In you O Lord all hope is found, for this I sing your praise. In you O Lord I lift my hands, in awe of you they are raised.

My lips shall praise your wondrous fame. You are my God, You are my king. You've rescued me, you've done great things.

In you O Lord I put my trust. In you O Lord all hope is found. To you O Lord I give my all. To you O Lord I lift my voice.
