

Alex Adair, Make Me Feel Better

Oh baby, oh darling, babe, babe
You make me feel better
You make me feel better
You make me feel better
So lets stay together
Oh, you make me feel better
So lets stay together
Oh, you make me feel better
So lets stay together
Oh, you make me feel better
So lets stay together
Oh, you make me feel better
So lets stay together
Oh, you make me feel better
So lets stay together
Oh, you make me feel better
So lets stay together
Oh, you make me feel better
So lets stay together
You make me feel better
Oh baby, oh darling
Oh baby,
You make me feel better
So lets stay together
