

Alex Band, It Doesn't Get Better Than This Song

Give me someone to rescue
'Cause these shoes aren't broken in
Too many unanswered questions
And my patience is wearin' thin
Now you've been searching for something
Something I already knew
And I've been dying to tell you
Just to tell you
It doesn't get better than this
Right now
Right here
You only get one chance to live
Your life
And it doesn't get better than this
And now the city's upon you
It's standin' at your feet
And there's no signs to guide you
Across these broken streets
Now we're all searching for something
Something we can hold on to
And I've been dying to tell you
Just to tell you
It doesn't get better than this
Right now
Right here
You only get one chance to live
Your life
And it doesn't get better than this
If you hold onto a dream
Find it's closer than it seems
Well this universe is all that you create
There's no time to hesitate
It doesn't get better than this
Right now
Right here
You only get one chance to live
Your life
And it doesn't get better than this
Doesn't get better than this
Right now
Right here
You only get one chance to live
Your life
And it doesn't get better than this
It doesn't get better than this
Uh huh
