

Alex Band, Sunday

Monday, work time
Tuesday, sublime
Wednesday, isn't better
Thursday, a little less sadder
Friday, make time, to be off with my
Saturday, can't wait, to sleep through our fate
We'll go to silence our ways
It's only six days away to the sun
Alright now
Passionately
Play our hearts free
Come up and see
What Sunday means to me
We'll go to silence our ways
It's only six days away to the sun
We'll go to silence our ways
It's only six days away to the sun
Alright now, now
