

# Alex Band, Tonight

Well the sky broke in two,  
Found you dancing alone.  
then the room filled up with you,  
and that song we both know.  
About a girl who lived in a shell,  
and a boy washed up somewhere else.  
With the ocean in between,  
oooo Whatever I'm through.  
You know I'm talking about you.  
Tonight,  
I got you where I want you.  
Closer I can tell you anything,  
You're the song that I sing.  
Tonight,  
Let the music take us over.  
we'll fall into forever, all is right,  
Cause I got you where I want you.  
Tonight  
Tonight  
Through all of science and history,  
I can't explain your effect on me.  
well I've been walking around with my head in the clouds,  
and seashells in my jeans,  
yeah well nothings is as it seems.  
Tonight,  
I got you where I want you.  
Closer I can tell you anything,  
You're the song that I sing.  
Tonight,  
Let the music take us over.  
We'll fall into forever, all is right,  
Cause I got you where I want you.  
Tonight,  
Tonight,  
the whole world could fall away,  
but You and I, no we won't be afraid.  
Tonight,  
I got you where I want you,  
Closer I can tell you anything.  
Tonight,  
Let the music take us over,  
We'll fall into forever, all is right Cause I got you where I want you,  
Tonight
