

Alex Gaudino, Destination Calabria

Destination unknown!

I left my job, my boss, my car and my home
I'm leavin' for a destination I still don't know
Somewhere nobody must have beauties at all
And if you like us you can follow me
So let's go!
Follow me and let's go!
To the place where we belong
And leave our troubles at home
Come with me, we can go
To a paradise of love and joy
A destination unknown!

Now I won't feel those heavy shoulders no more
My life got better now I finally enjoy
Yes all the people wanna come here and so
Come on and join us, you can do that now
Let's go, follow me and let's go!
To the place where we belong
And leave our troubles at home
Come with me, we can go
To a paradise of love and joy
A destination unknown!

Destination unknown!

We left the city, the pollution, the crowd
The air is clear here, ocean's blue, I love that sound
We're happy in this destination we found
And if you want us you can follow me
Now let's go, follow me and let's go
To the place where we belong
And leave our troubles at home
Come with me, we can go
To a paradise of love and joy
A destination unknown!
