Destination Calabria

I left my job my car and my home im leavin 4 a destination I still dont no,
somewhere nobody must have beautys at all and if u like us u can follow me so lets go;
follow me and lets go to the place where we belong and leave our troubles at home come with me

Now I wont feel thoses heavy shoulders no more my life got better now I finally enjoy yes all the pe

We left the city the pollution the crowd,
the air is clear here oceans blue I love that sound. Where happy on this destinatin we found and if
follow me and lets go to the place where we belong and leave our troubles at home come with me
