

Alex, Hola

A lil' shorty ... so damn fly
Feel like i wanna give her a ticket to ride, and i'm
Feeling the things you do
You're making my dreams come true
The rhythm of me and you
Let's take it higher 'cause
Girl, you really got game
The way you're singing my name
The way you're shaking your thang
Like: "cha, cha, cha... move your cho-cha"
Hola, there you go, ma...
Hola, put it on ya...
Hola, we're moving closer
We can do whatever
When we're together
Mamacita, hola
I'm really feeling you
Hey lil' shorty ... let's go outside
In the moonlight, where you and i can shine all night, and i'm
Feeling the things you do
You're making my dreams come true
The rythm of me and you
Let's take it higher 'cause
Girl, you really got game
The way you're singing my name
The way you're shaking your thang
Like: "cha, cha, cha... move your cho-cha"
Hola, there you go, ma...
Hola, put it on ya...
Hola, we're moving closer
We can do whatever
When we're together
Mamacita, hola
I'm really feeling you
... let's break it down, down, down
Take it round, round, round
Make it bounce, bounce, bounce
The way you want it
We can break it down, down, down
Take it round, round, round
Make it bounce, bounce, bounce
I'm really feeling you...
Hola, there you go, ma...
Hola, put it on ya...
Hola, we're moving closer
We can do whatever
When we're together
Mamacita, hola
I'm really feeling you
