

# Alex Lloyd, I Wish

Why are we so cold?  
Why are we so numb?  
How did it get like this  
On the sidewalk in the pouring rain?  
In the spotlight did you feel the same?  
I wish for us, I do  
I pray for us  
Out and over or don't you think that's true?  
Do you think that's true?  
When it's said, yeah, when it's done  
Not one place to run  
When it's said and done  
I wish for us, I do  
I pray for us  
I wish for us, I do  
I pray for us  
Lay down, lay down your guns  
Lay down when it's said and done  
Lay down, it's just no fun anymore  
On the sidewalk, in the pouring rain  
In the spotlight don't ya steel my pain  
I wish for us, I do  
I pray for us, it's true  
I wish for us, I do  
I pray for us
